Local Greens East Dulwich Supper Club

19th October 2011

**We are running a second, very special
Supper Club**

on

Wednesday 19th October 2011

in support of

Local Greens

Set up by Herne Hill & Dulwich residents, this fantastic, not for profit weekly vegetable bag scheme provides seasonal vegetables from farms which are as near to South East London as possible - the closest farm is just 11 miles away! Customers collect their order locally, often on the day it was picked! We are preparing a very special dinner, which will, of course, include vegetables provided exclusively by Local Greens.
